AAPA PRODUCT SINC

Our design concept is an Extension-Bar Package built on a Two-barred basic truck rack style, which can be seen commonly in the e-commerce truck rack market. Most ideally, it is guaranteed compatible with our Model X35.

We offer Two different upgrade packages for different customers' need:

1. X39-SC-BX2: Side Bars with 30" Short-over Cab. Extension
2. X39-LC-BX2: Side Bars with 55" Long-over Cab. Extension
