VAN SHELVEING STORAGE

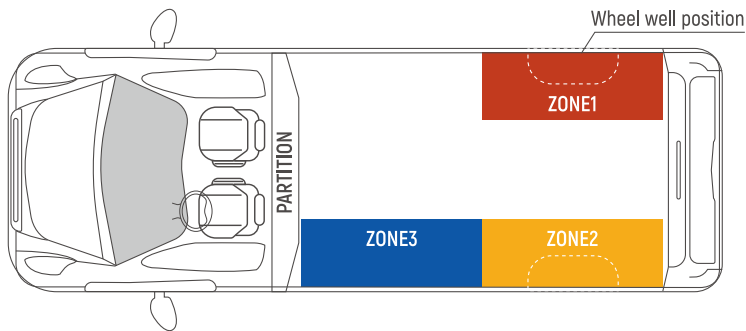

AA VAN SHELVEING SERIES

Designed for tools and equipment storage in Vans or trucks. Constructed with durable metal gauge (16 gauge side panels, 18 gauge shelving) and fully hemmed sides for extra strength and durability. Adjustable shelf heights cater to various storage needs. Complete hardware, including mounting and connector brackets, ensures easy installation. All-weather and scratch-resistant grey powder coat finish for long-lasting performance. Choose from our range of nine Shelf Units to meet diverse customer requirements.

STORAGE ZONES

- The illustrated installation guide helps you understand the three zones of your van when planning your AA van shelving storage system.
- The yellow highlighted " " in the below table is not recommended to install the Shelf Unit in the wheel well position.
